

Technical Visit

Technical Visit to MEIKO Dongguan Factory

Period

21 November 2015 (Saturday) from 0800 hours to 1700 hours

Location

MEIKO Industrial Plastic Manufactory at The Second Industry Town, Guchong, Wanjia District, Dongguan City, Guangdong, PRC

Programme Highlights

“MEIKO Dongguan Factory” is a HV switchgear assembling factory for gas insulated switchgear rated up to 25kV. The production plant is located in Dongguan of Guangdong, PRC. The visit will include a brief introduction of different HV switchgear standards, the assembling and routine test requirements as well as a tour around main facilities of the plant.

Registration

Free.

The visit is free of charge to HKIE members. The number of participants will be limited to 25 based on a first-come-first-served principle; however, priority will be given to the members of the Electrical Division. Separate email notification will be sent to successful applicants after the enrolment deadline. To avoid abuse of the available seat of the visit, each **successful** applicant is required to provide a deposit of HK\$100 to secure his place which will be returned to the applicants after the visit. Details of the visit and the procedures to submit the deposit will be advised to the successful applicants. If you wish to join this technical visit, please complete the standard reply form and send it to Ir Andrew Yan by email (kwyan@hkelectric.com) on or before 9/11/2015. Neither the Institution nor any other parties facilitating this visit accepts any liability whatsoever in connection with the visit.
