

## **Overseas Technical Visit to Germany**

### **Period**

21 July 2018 (Saturday) to 1 August 2018 (Wednesday) inclusive (12 days)

### **Location**

Germany, covering major cities of Frankfurt, Nuremberg and Munich.

### **Programme Highlights**

The visit will focus on the electrical power industries and technological development in Germany. Sightseeing will be arranged in the nearby areas as part of the visit.

### **Registration**

The cost of the technical visit is HK\$30,000.00 per person based on shared room occupancy (HK\$35,500.00 per person for single room occupancy) including meals, accommodation, transportation, airport taxes, and tips to escort. This price is subject to final confirmation. The number of participants will be limited to 40 based on a first-come-first-served principle. Participants must have their own valid travel document and visa (if required) can be arranged by our appointed travel agent. If you wish to join this overseas technical visit, please complete the standard reply form together with a crossed cheque of full amount made payable to “The HKIE - Electrical Division” and send to Ir Y K Chu ([chuyk@archsd.gov.hk](mailto:chuyk@archsd.gov.hk)) at 31/F, Queensway Government Offices, 66 Queensway, Hong Kong on or before 2 February 2018. Neither the Institution nor any other parties facilitating this visit accepts any liability whatsoever in connection with the visit.
